Repair your old door panels with FMR's door panel repair boards. These are exact copies of the original backing boards used from 1981-86. As long as the vinyl is good on your door panels they can be rebuilt to look like new. Door panel boards are \$44.99 for the pair with installation hardware.

Also available are the seals that go on the left and right of the radiator. These attach to the radiator support and cover the holes between the radiator and the support. This kit includes the left and right seal with attachment hardware. <http://www.foxmustangrestoration.com/?p=vp&id=855>

Also coming soon, Complete 1979-93 Coupe rear package trays. Most colors will be available and these will be the most accurate reproduction on the market with provisions for all of the different seatbelt and speaker configurations.

Any suggestions for parts that need to be reproduced are welcome. Just send them to matt@foxmustangrestoration.com
